

Board Studying Ways To Increase Hospital Capacity

Visiting Hours At Hospital Will Be Enforced By Board Order

Keeping pace with planning for an anticipated influx of new residents and expanding business development in the district, which may result from the forthcoming Winter Olympic games in 1960, directors of the Tahoe Forest Hospital are studying the possibilities and ways and means of enlarging hospital facilities.

At a meeting here Friday night, J. R. Liske and Robert Crippen of the architectural firm of Cox and Liske of Sacramento met with the hospital board to discuss tentative methods of securing the additions if that becomes advisable.

A number of proposals were discussed with an aim for obtaining state and federal financial assistance under laws permitting state agencies to participate in local hospital needs.

While no action was taken on any of the suggestions, it was pointed out by Administrator John J. McLaughlin that the board is anxious to keep abreast of changing conditions so that when the necessity arises, they can be in a position to cope with the situation. Liske said he would make a thorough study of the various possibilities so that he can lend any assistance required when the need arises.

Traffic Problem

The board also requested that the visiting hours, 1 to 4 and 6:30 to 8 P.M. be strictly enforced and that the weekend traffic problem in the halls and rooms of the hospital be corrected to give patients as well as the staff members a chance to circulate in the building.

It was shown that very often a number of friends of ski accident victims wish to accompany the injured person to the hospital and too often create an unnecessary confusion by standing or sitting in the halls or rooms. This, it was stressed, often disturbs other patients and hinders staff members from doing their duties as expeditiously as they could if the confusion could be eliminated.

Members of the board present were James Sherritt, president, C. R. Heller, Asa Abbott, Nace Firpo and Warren Porter. Dr. L. D. Nelson, chief of the medical staff, also attended.

WOMAN BREAKS BACK IN TOBOGGAN CRASH

Mrs. Elizabeth Obiseno, 35, San Francisco, was seriously injured in a toboggan mishap on Donner Summit Sunday afternoon. She was rushed to the Tahoe Forest Hospital where it was discovered her back was broken and she was later removed to Reno by Truckee Ambulance for specialized treatment.

CHRISTIAN SCIENCE LECTURE AT RENO

A free lecture, entitled "Christian Science: God's Promises Fulfilled" by Walter S. Symonds, C.S.S. of San Antonio, Texas, a member of the board of lecture of the Mother Church, the First Church of Christ, Scientist, Boston, Mass., will be held at the First Church of Christ, Scientist, in Reno Friday evening, February 17th at 8 p.m. The public is invited to attend.

Rebekah Lodge Will Conduct Initiation Here

All officers and members are urged to be present at the February 22nd meeting of Naomi Rebekah Lodge No. 2 when a formal initiation will be held.

Plans for the coming event were completed at the February 8th meeting when Laura Horman, noble grand, presided. Refreshments were served during the social hour by Eleanor Capel and Esther Carver.

MOTHER OF BOCA RESIDENT EXPIRES

Funeral services were held for Mrs. Augie Pabst, mother of Harold Pabst of Boca at Reno earlier this week.

Mrs. Pabst was the widow of Daniel Pabst and was a native of Wisconsin. Another son, three daughters, several grandchildren and great grandchildren are survivors of the deceased.

Little Will Return After Visiting Friends, Relatives

R. N. Little left Tahoe Forest Hospital on Saturday with Mr. and Mrs. A. P. Leitch, accompanying the former local couple to their home in Placerville. Little will also visit relatives in Coronado before returning to his business here.

Paulie Brake Five Will Play Truckee A. C. February 25

Basketball fans of this area are in for a rare treat Saturday, February 25th when the Truckee AC All Stars will host the Paulie's Brake Shop team of Sacramento at the high school gymnasium.

The visitors are four time winners of the Sacramento City League and every member of the squad is a former all-conference star. Ernie Johnson, a guard was an all-American with the UCLA team and others hold equally high ratings in the basketball world.

Dave Morey, TAC president, said that although the visitors are tough, they will meet an equally tough team selected from the five clubs of the local league. A fast, interesting game is promised.

The Paulie's this season have won the California Flood Relief tournament, the Hayward Invitational and the Fremont tournament, among other honors. All are former college stars, Carl Youngstrom, Dick Galvin, Regis Hurley, Al McFadden, Ed Feenstra and Tom Sekul being from the Sacramento State College. Galvin has a 11.4 average in 18 games, with Youngstrom 11.6 in 15 and Masters 10 in 18 games.

In a preliminary contest to start at 7 p.m. the Truckee 8th grade will engage the 7th graders.

The local lineups will be announced next week, Morey said.

Ski Federation To Meet Here Feb. 25

Preparations are being completed for the arrival of members of the Bay Area Ski Federation, consisting of 22 ski clubs from the San Francisco region who will make their annual visit to Truckee and Donner Summit Saturday and Sunday, February 25 and 26.

A highlight of the visit will be the party scheduled to be held at Veterans Memorial Building Saturday evening when the clubs will vie for prizes with skits and when dancing will be enjoyed.

On Saturday preceding the party here, and Sunday the group will ski at Donner Ski Ranch.

It is estimated by Hal Welch, president of the chamber of commerce, which is assisting with arrangements, that nearly 500 members will participate in the affair. Incidentally, the Bay Area Ski Federation has sent copies of a resolution urging California to provide for the 1960 Winter Olympic games to Governor Knight and members of the legislature. This group consists of 2,500 active members.

MARY ANN TONINI IS STAR IN SKI MEET

Mary Ann Tonini of Truckee, student at the University of Nevada, took third place in the Powder Puff Derby slalom for coeds at Sunday's 17th annual University of Nevada Winter Carnival.

Outpointing the local skier were Cathy Zimmerman of Nevada and Les Bennett of Walla Walla, Washington.

The University of Denver won the event with 391.4 points. Idaho was second, Colorado third, Western State fourth, Utah fifth, Washington sixth, Whitman seventh, Nevada eighth, Stanford ninth, Sierra tenth, UCLA eleventh, California twelfth, San Jose thirteenth and Oregon State fourteenth.

Squaw Team Takes High Place In South Lake Meet

BIJOU—The Squaw Valley team took first place honors in the first annual Far West Ski Association inter-club giant slalom Sunday afternoon at the new Heavenly Valley resort.

The winning team consisted of Bill Briner, Jimmy Huega, Pepi Gassiot and Bonnie Hansen, all residents of Tahoe City. Briner had top individual time of 51.3 seconds.

BANK CLOSED WEDNESDAY

Lee H. Apple, manager of the Truckee Branch of the Bank of America, today announced the bank will be closed Wednesday in observance of Washington's Birthday.

Traffic Decrease Into State Noted; Truckee Still High

Local Station Shows Gain Over December In State Report

Although travel into California through Truckee last month showed a gain of more than 1,000 cars over the December figure, it was down 3,000 from January 1955, the report from the state department of agriculture for the month shows.

The drop in traffic into the state as a whole showed a decline last month as compared to the first month of 1955, the report shows.

Last month, 13,949 cars, 2,417 trucks and 574 buses were checked at the local quarantine station, compared to 12,469 cars during December and 16,931 for January last year.

Meyers Station on Highway 50 showed a drop of about 500 cars last month as compared to December and a drop of 300 compared to January, 1955. There were 2,453 cars, 875 trucks and five buses checked at Meyers last month.

Truckee, despite the drop, was in sixth place as a port of entry among the state's 16 border quarantine stations during January. Meyers was in 13th place.

SACRAMENTO (CNS)—A slight drop in automobile traffic entering California during January, as compared with the first month of last year, was reported today by the state bureau of plant quarantine.

The bureau said 214,863 cars were tallied at the bureau's inspection stations during the month, compared with 216,416 for January a year ago.

The total number of passengers entering the state by highway was 625,326. This compared with 640,812 a year ago.

Truck traffic was up, from 24,956 a year ago to 27,389 last month.

DIRECTORS NAMED TO STEAR LOCAL CHAMBER IN 1956

Hal Welch, president of the Truckee Chamber of Commerce, this week announced the membership of the board of directors chosen in a membership election last week.

The directors are Charles Osburn, Reg Smart, H. G. Loehr, N. F. Dolley, Rex Reid, W. M. Englehart, Jr., Wayne Philippi, Lee Apple, Dan Horman and Walter Barrett.

Welch said a meeting will be held in the near future at which time the committees will be chosen from the board.

FOUNDERS DAY IS OBSERVED BY PTA

The Truckee Elementary P.T.A. observed Founder's Day Monday with a skit, entitled "Mr. Facts" at which forty members attended.

Mesdames Joseph Straub, Wilbur Glenn, Eduard Frates, Darol McGilhon and Messrs Daven Morey and Lynn Kishbaugh and Gene Miller took part in the play. Also on the program was Patty Finnegan who read a poem for the occasion.

During the business session presided by Hilda Hintz, Irma King, Winifred Maynard, Darol McGilhon were elected to the nominating committee to select a panel of officers for the March election.

Mrs. Robert Leamon who headed a committee of mothers for refreshments, was presented with her past president's pin.

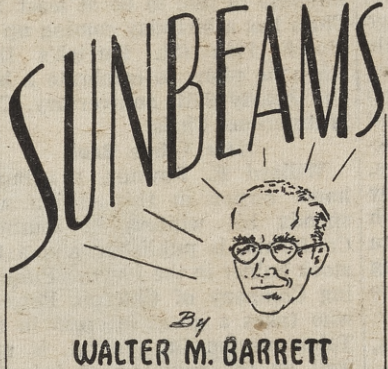

The sixth grade won the attendance award for the month.

PRESIDENT AT MEET

Miss Elma Hecker, Nevada county treasurer and tax collector this week is presiding at the annual convention of the Tax Collectors Association of California being held at Monterey. Miss Hecker is president of the association.

GUARDRAIL BROKEN

The gap in the guardrail along Highway 40 near Hirschdale could not be explained by the highway patrol. No report of an accident was received although the damage to the guardrail indicated a vehicle had struck it with considerable force.

WALTER M. BARRETT

We doubt that A. Allen Post, the legislative auditor, gave very much thought to the subject before he voiced opposition to California's support of the 1960 Winter Olympic Games, on the grounds that he had not been shown where the state could anticipate the returns that he expected. Certainly, if he did give it thought, it was not with a very optimistic outlook.

Countries all over Europe, and many cities and states in the United States, would have probably given far more than California is asked to contribute if they could have secured the games, and we don't think they would have based their desire entirely on the Olympic ideals either. As Assemblyman Francis Lindsay has pointed out, the sale tax from the anticipated transactions prior to the games themselves no doubt will bring in more money than expended, to say nothing of the value of the tourist dollars to the state as a whole, before, during and after the games.

We honestly believe that the Olympic games will directly or indirectly bring more to California in revenue than all other attractions currently ballyhooed by all agencies combined. It's true the games will last only two or three weeks, but one must take into consideration the effects prior to and after the games in order to evaluate their monetary worth. They must be conducted right to bring this result, but we are confident that California—if it does the job at all—will do it well. We hope that Mr. Post can bring himself to think beyond a column of cold figures long enough to see the overall picture. If he will, then we are sure he will agree that he was indeed shortsighted in his first analysis.

Cafe Team Still Leads Hoopsters

Last Thursday's basketball games in the Truckee Athletic Club's tournament were won by the league-leading St. Louis team which defeated Jim's Barbers 55 to 30 and the 20-30 five which won from the Telephone Company 48 to 28.

Les Lazzari was high man for the losers with 12 points and Bob Tonini with 23 points, was star of the St. Louis team. Wakefield's 20 points for the 20-30 and Free-land's 16 for the Linemen were top in the second game.

Monday night's game saw the St. Louis defeat the Legion 51 to 47 in an exciting contest while the Telephone five beat Jim's 53 to 44 in a hotly contested battle.

Reid was high for the Legion with 13 and Tonini again starred for the St. Louis with 15. Free-land's 20 was tops for the Linemen and Van Hooser with 14 was high man for the Barbers.

Two games will be played to night at the high school gym.

Alpineer Ski Meet At Sugar Bowl On Sunday

NORDEN—The Alpineer Ski Club will hold its annual giant slalom at Sugar Bowl Sunday. This FWSA sanctioned meet is open to all A, B, and C racers.

The course will be set by Bill Klein and the races will start at 10:30 a.m. Entries will be received at Sugar Bowl until 6 p.m. Saturday.

On February 25 and 26 the annual Flatlanders invitational meet will be held, sponsored by the El Camino Ski team and is open to all high school boys and girls who are weekend skiers only.

The Sacramento Bee Trophy race will be held March 4th.

Road Hearing

The forest supervisors of the Tahoe and Eldorado Forests jointly announced today that a public hearing will be held in Auburn at 10 a.m. February 20th, in the Veterans Building for the purpose of acquainting the public of a proposal to construct an important timber access road in Placer County.

Cattle Killed In Truck Accident At Soda Springs

Idaho Cattle Truck Forced Off Highway; Nine Cows Die

Nine head of cattle were killed or so badly hurt they had to be destroyed when a truck operated by Albert Heinz, 26, Twin Falls, Idaho, was forced off the highway by a second truck at 1:25 a.m. Wednesday morning.

The heavy truck and trailer left the highway half a mile east of Soda Springs and overturned, throwing the 35 head of cattle into the highway.

Heinz said the second truck which failed to stop crowded him over the bank. He was not injured. Patrolman Roy Stallard made the investigation and a Reno reduction works truck took the dead animals to that city.

Walter Reisbig, Truckee service station employee, escaped injury when his pickup was forced off the highway just east of Boca Monday by a car which did not stop. Patrolman Martin Sturcke made the investigation.

Highway Building To Be Done By 1960

AUBURN—Construction of two new freeway sections of Highway 40 in Placer and Nevada Counties should be complete in time for the 1960 Olympics in Squaw Valley.

This was the information given yesterday by state division of highways at a public meeting attended by more than 100 people.

The new sections are from Magra to Blue Canyon Road, 14 miles, at a total cost of about \$10,000,000 and from Hampshire Rocks to Soda Springs, six miles. Work will start in 1958, or sooner if possible.

Plans were detailed by A. M. Nash, district engineer; Blair Geddes, safety engineer; and William Sherwood, designing engineer, all of the Marysville office, highways division's District No. 3.

SPORTSMEN OPPOSE CLOSING RIVER TO BAIT FISHERMEN

As predicted, members of the Truckee Outdoor Sportsmen Friday unanimously went on record opposing the determination of the state fish and game commission to restrict seven miles of the Truckee river from here to Boca to artificial lures. A copy of the resolution adopted at the meeting was forwarded immediately to the commission.

The commission meets next Friday in Los Angeles to establish rules and regulations for fishing during the coming season. Jack Waggoner, the local club president and Mrs. Edith Welch, secretary, will attend the session.

Vice president Charles Osburn presided at Friday night's meeting here.

Wyethia To Hold One Luncheon Meet Monthly

Mrs. Eugene Welch, president of the Wyethia Club presided at the St. Valentine Day luncheon meeting held in the Methodist Church.

More than 30 members attended the attractively appointed affair when it was voted to hold one luncheon and one evening meeting each month. The club also decided to adopt or sponsor for two years an elderly woman who had been a victim of the recent Yuba City flood disaster.

At the close of the business session a cake, baked by Mrs. William Carver was served and guessing games appropriate for the occasion were played.

Wolverines Suffer First Double Loss During Past Week

(By Jim Brehler)

The Tahoe-Truckee Wolverines suffered their first double loss in a weekend series as they lost a conference game to Douglas Friday night, 44 to 57, and then lost a heart-breaker to the Reno Ramblers Saturday, 43 to 41.

The Tigers from Douglas County High led at all quarter marks, 14 to 9, 29 to 23 and 49 to 31. The Wolverines played a fine first-half game, keeping within striking distance the entire game. But the third quarter was a run away as the Tigers put on a spirited rally that netted them 20 points holding the locals to only 8. In the final frame the reserves of the two clubs battled it out, with the Wolverines outscoring Douglas, 13 to 8. The loss dropped the Wolverines to one win and 4 loss record in conference play.

Saturday night's non-conference tilt was a real thriller from start to finish. The first period ended with a 14-all tie, but the Wolverines pulled ahead for a 28 to 25 intermission lead. In the third period the Ramblers narrowed the gap to one point, trailing 32 to 31 going into the final quarter.

The Wolverines pulled into a 2 point lead at 41:39 with less than a minute of playing time remaining, only to see the Ramblers score two long field goals, the final one with only 3 seconds showing on the clock, which brought about the 43 to 41 loss. The Varsity now stands at six wins and five losses overall.

The Junior Varsity Cubs from Tahoe-Truckee once again won their conference game as they easily out-scored the Douglas Juniors, 50 to 33, the reserves playing much of the time. But the Cubs were not able to handle the larger J. V. squad from Reno as they absorbed a 60 to 43 loss Saturday night.

Once again the big difference seemed to be the opponent's big center man, Dean Devenenzi, who went the entire route scoring 33 points. Ken Osburn's 22 counters was high for the locals. The Cubs now have registered 7 wins against 4 losses, with a 5-0 record against conference teams.

Friday night, February 17, the Wolverines and Cubs will entertain the Buckaroos from Winnemucca, winners in twelve straight games. Saturday night, February 18, the locals will travel to Douglas for a Western Nevada Conference date.

Lindsay Answers Post's Opposition To 1960 Olympics

First Official Opposition Is Voiced By Legislative Auditor

The first official opposition to California supporting the 1960 Olympic Games has met with immediate reaction from Assemblyman Francis Lindsay, Loomis republican and it becomes quite evident that future opposition to the once-in-a-lifetime opportunity for this state to gain international recognition for one of its most valued assets—winter sports—will be met in a like manner.

Lindsay's reply was to the stand taken by A. Allen Post, legislative auditor, who questioned the advisability of California financing the 1960 games scheduled for Squaw Valley and dependent upon action taken by the legislature next month.

The local assemblyman was quick to assail the recommendation by Post that an appropriation of \$4,000,000 be rejected on the basis that returns from the expenditure has not been clearly pointed out to him. Last year the

Backed by Governor

legislature voted \$1,000,000 to start the games and give assurance that they could be held under state sponsorship.

Post said he would change his mind if proof was shown that the state would or could recover the investment.

Lindsay said the fact that the games will be held here will return to California an excess of \$5,000,000 even before the contests are started. He added that he would use every effort at his command to have the additional money required voted by the legislature.

Both Governor Goodwin J. Knight and John Peirce, state director of finance, have gone on record as being wholeheartedly behind the project and State Senator Harold Johnson sponsored the state's participation. California must come up with a favorable answer before April 30 or the games automatically will go to Innsbruck in 1960.

Lindsay said the multi-million dollar resort developments that would begin mushrooming at the Olympic site and the increased sales of sporting equipment would return the state the \$5,000,000 in sales taxes alone.

"The amount may be paid back even before the games are held," Lindsay said.

A firm of architects hired by Squaw Valley backers estimated it will take \$5,000,000 to ready the site for the games. It listed expected sources of revenue as radio, television and movie rights, concessions, admissions, parking and sales taxes.

The Legislature begins its 30-day budget session March 5. However, the Assembly Ways and Means Committee opened advance hearings on the budget Monday.

21st Sunny Day Enjoyed Throughout This Area

The forest service reported this morning that the temperature this morning was two below zero.

This region is enjoying its 21st consecutive day of bright, sunny weather without measurable precipitation.

Temperatures at the U. S. Forest service station here reached 46 on Sunday and fell to a chilly 1 degree above last Friday.

The snow pack has dwindled another six inches during the past week and is now 30 inches at the forest service, but with many bare spots on the slopes nearby.

The season's precipitation of 39.97 inches is still far above normal although 5.29 inches are needed to bring the February mark to normal.

EASTERN STAR MEET HERE NEXT TUESDAY

There will be a regular meeting of the Eastern Star at the Masonic Temple Tuesday with Evelyn and Clyde Mandeville presiding in the East as worthy matron and worthy patron. There will be an initiation and members are urged to attend.

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

Beautiful Weather
 With the dawn of the Valentine season our Tahoe weather, at this writing, was growing more beautifully spring-like and nearer to perfection day by day. Down along the lakeshore commons the snow is melting fast, and the golden green of new leaf-buds spreads a warm haze among the willow tops. Some claim the groundhog saw his shadow when he crawled out of his hole early last week, but we think the sun was so bright it blinded him till he couldn't see anything. And he'll be sunning himself in the open rest of the month anyway.

In World of Living
 Came a letter this week from Mrs. Chris Nielsen of Sparks, Nevada, thanking us for the insertion in the Sierra Sun column of February 2nd which let friends and neighbors everywhere know that her husband, Chris, is definitely among the living. She said the erroneous report must have originated among the obituaries from a Reno paper. She received many messages of sympathy by telephone as well as letters and cards of condolence. But she says Chris himself got a great kick out of his make-believe demise. He is still in the best of health, and spends his leisure time cutting wood, pruning trees, and other healthful and vigorous occupation, and he says he intends to live to be at least 100. Chris has a birthday coming up on March 17th (St. Patrick's Day) when he plans to celebrate a hale and hearty 89th anniversary. Congratulations Chris!

New Tahoe Book
 Willard E. Powner, a summer home owner in this region who spends his winters in southern California, is publisher and a top stock holder in the Powner Publishing Company of Chicago. Powner, who takes a great interest in the Tahoe region in general, is now well on the way toward bringing out a new edition of "Lake Of The Sky", according to information from Tahoe City friends. This is a book written of old times about Tahoe, by George Wharton James, which is now almost out of print.

Plan Snow Ball
 On the evening of Thursday, February 9th, the Tahoe City Volunteer Fire Department gave a dinner party at Tahoe Inn as a pre-meet, heralding the Firemen's Snow Ball, which occasion is scheduled for the evening of St. Patrick's Day, March 17th. The dinner was enjoyed by the firemen and their wives, 28 in all, with a social evening to follow. New badges were presented to all the fire department members during the evening.

Bechdolt Elected
 At a Community Center meeting held here on the evening of Wednesday, February 8th, William Bechdolt, manager of Tahoe Inn, was elected to the Board of Trustees of this organization to succeed J. V. Bartell, a former Trustee. Bartell, who was an employee of the Standard Oil Company, left this community several weeks ago when his company transferred him to Reno Nevada.

Thanks
 Community officials, at this time, wish to express their appreciation to the Henrikson Brothers, Charles and Oliver, for the excellent job these boys have just about completed along the beach of the Tahoe City commons. The pile of logs and debris which had to be left in the edge of the water during the recent storm period here, will be taken away as soon as the melting snow is cleared from the roads sufficiently for hauling.

Sees Olympics
 In a letter this week to her mother, Mrs. Anne Anderson of this city, Kathleen Starratt writes from the Olympic Games locality

in Italy that she had just witnessed the great hockey competition between the Czechs and the Canadians, and watched the Czechs take a terrific beating when the Canadians took the victory by 7 to 3. She says she also witnessed the men's slalom in the Olympic games and stood watching it excitedly for three solid hours.

Ski Carnival
 Here at home several local skiers are taking part in the University of Nevada's Winter Sports Carnival being held this week. The coach of the California Ski team is Jimmy Baker of this city, and other Tahoeites taking part in the events include Lewis Fellows, the Tahoe club's ace skier, and Ned and Jay Stewart, two experts from the Lake Forest locality.

On Vacation
 Five Tahoe City couples left this week end for a two weeks vacation tour through central and southern California. Toward the latter part of the vacation they all planned to meet at Palm Springs where the men of the party will join in a few days of golf on their favorite greens. The couples include Mr. and Mrs. N. R. Mayfield who left for India early last week, the Floyd Carnells and the A. M. Henrys who were on the way last Wednesday, Mr. and Mrs. Martin

Rotary Meets
 The Tahoe City Rotary club held its regular dinner-meeting on the evening of Tuesday, February 7th at the Tahoe Inn as usual. Thirty-five members were present besides eight visiting Rotarians and one guest. Visiting Rotarians included Judge Fosten Wilson of Truckee

and the following Brockway residents: Constable Richard Lavery, Ace Abbott, Ray Plunkett, Syd Gabdout, M. H. (Hank) Dodd, and Lawrence Streeper. A guest of local member Bill Bechdolt on this occasion was Robert Pomin of this city. President Steve Korich presided over the meeting and Basil Kehoe was program chairman. Entertainment for the evening was a motion picture shown by member Bob Wray, titled "The Red Wagon".

STRICTLY STRICKLAND

By Bill Strickland

The following article appeared in the San Francisco Chronicle a few days ago. In the event you did not see it, it is being reprinted here, with our article of disagreement, that has been mailed to Mr. Leiser. If you, as residents and business people of this area believe as we do, perhaps you'd like to write to Mr. Leiser presenting

your views and also your ideas on what can be done to disprove his theory.

"U.S. IS NOT A WINTER SPORTS NATION"

Why, IN THE WINTER OLYMPICS, did we not do so well? The answer is that actually we did about as well as could be expected. We're not a winter sports nation in

the sense that many European countries are. There are areas in the upper Midwest and New England which are winter sports areas. Kids skate every day four or five months of the year. Many go to school on skis. Once we did ourselves. But, how much of our country is like that? Very little. On the Pacific Coast there is skiing all

right, but a man or boy usually has to take time off, drive a hundred miles, and spend money to get in one afternoon of the sport. Few champions are built that way. Champion teams never....."

The Answer

"I imagine when you wrote your article "U.S. IS NOT A WINTER SPORTS NATION", (San Francisco Chronicle, Thursday, February 9, 1956, Bill Leiser), you anticipated there would be people who might disagree. I would certainly like to go on record as being a representative of a group who disagree on your line of thinking, and give you some of the reasons why.

"Just as your week-end golfer seldom, if ever, gets into the professional ranks as a top flight contender, neither does your week-end skier attain enough proficiency to compete against the professional and certainly not as a Simon Pure, which is necessary for eligibility for the Olympics.

"There are many groups working very hard at the present time to try and select, train, and coach skiers who have outstanding possibilities as competitors.

"The Far West Ski Association right here in California has worked very diligently for many years to promote skiing in California, Nevada and Arizona. They cannot aid financially, but in all other respects they have given a helping hand. Assistance in forming ski clubs, helping to provide a uniform system of certified instruction, designating and sanctioning authorized ski meets, which enables the individual skiers to advance in standings and be recognized for his or her achievements. All of these ski club or unattached racing members have to pay their own way, and that, of course, cuts down the potential field of material. A few fortunate ones are fairly well-to-do financially and are therefore able to indulge in this great sport of racing. Those who are unable to follow the snow, because of lack of finances or because they have to work 5 days a week are eliminated before they have a chance to start.

"There are solutions to these shortcomings though, and I am going to name one possibility.

"The natural place to look for the potential material is in that section of the country that has comparable conditions. Right here at Soda Springs, California, something is being done about it, and with the material at hand.

"The members of Donner Summit Post of the American Legion (of which there are 20 in the immediate area, the balance of 106 are scattered all over the rest of the world) are this year sponsoring Junior Skiers, eighteen years of age and under; so any youngster

FRANKFURT, GERMANY—PFC James W. Armstrong, 23 son of Mr. and Mrs. Ersel L. Collins, Bijou, Calif., recently took part in a field training exercise held by the 4th Infantry Division in Germany. Training received by the "Ivy" division, part of the U. S. Seventh Army, includes intensive maneuvers and realistic field problems.

18 or less may become a ski club member by merely requesting a membership. He will be taught skiing by certified instructors here at Soda Springs. If he has outstanding abilities as a skier and wants to race, he will be coached in racing. If he earns by competition a place on the racing team, he is sent to as many competitive meets as possible with all expenses paid by the Post Ski Club. In return, we merely ask that he conduct himself as a gentleman and make the best showing possible for himself. We hope other American Legion Posts will adopt a similar program in their areas and develop these youngsters with potentials, who cannot help themselves.

"The above is one every simple solution. In addition, if all of the business firms who derive their income from winter sports would set aside a very small percentage to support young talent and would also donate some of their time (you're not really that busy, are you?) they would not only be instrumental in helping to put the United States team at the top, but they would also introduce themselves to a wonderful new way of living."

TAHOE SKI CLUB TO HOLD MEET FRIDAY

TAHOE CITY—The regular meeting of the Squaw Valley-Lake Tahoe Ski Club will be held Friday evening at 8 p.m. at Granlibakken Ski Lodge where night skiing will be a feature attraction. Mr. and Mrs. Kjell Rustad will be hosts on the occasion and Mrs. Sophia Baker will assist them.

On Saturday evening, the annual Hatchet Hop will be held at Tahoe Inn with an orchestra providing the music for dancing.

The Junior FWSA divisional championship downhill and slalom race is scheduled for Saturday and Sunday at Mammoth Mountain and a number of local skiers will be competing.

Meet transport demands "anywhere—anytime" ...with the 4-Wheel-Drive 'Jeep' Truck

On hard-surface roads the famous 'Jeep' Truck gives you 2-wheel drive performance to match any conventional truck. Where the good road ends—when snow, ice, mud, or roadless stretches bar the way to ordinary trucks—you can shift into 4-wheel drive to carry a full payload to almost any destination in any weather.

4-Wheel-Drive 'Jeep' Trucks are designed for the most rugged performance. Note the high-skirted fenders and functional body lines that resist dents. With power take-off, 'Jeep' Trucks operate winches, generators, compressors, and other belt driven machinery. They take power to the job—on or off the road.

Let us demonstrate the 'Jeep' Truck—America's lowest priced 4-wheel drive truck—for you.

DONNER TRAIL

KINDERGARTEN, FIRST AND SECOND GRADES: Yes, we are still working on our puppets. The heads are painted and we have hairdos of all shapes and colors made of wool, cotton and whatever our imagination will allow. Now we are making patterns for costumes for our puppets and we are sewing them by hand.

In the upper grades at Donner Trail we made an experiment to show how we can get copper out of brass.

Our map of California is coming along very nicely.

KINGS BEACH

KINDERGARTEN AND FIRST: We learned several new dances this week. Many records were brought to school by Jay Bisio, Kathy Chastain, and Wendy Howell.

First graders who finished reading "My Little Blue Story Book" include Kathy Chastain, Susan Clakett, Martha De Gregorio, Gale Graton, Wendy Howell, Cathy Rockholm, and Andy Thomkins.

Mrs. Wing invited the kindergarten and non-skating first graders in to see two movies last Tuesday.

SECOND AND THIRD GRADES: We are very sad over the passing of Jerry Hill. Jerry was stricken with leukemia about a year ago. Our class sent flowers to his funeral services Sunday.

Earl Stice, member of the "Keep California Green" committee, and Nelson Stone of the U. S. Forest

Service visited our Classroom Tuesday. Mr. Stone spoke to us on Forest Conservation. Mr. Stice presented Vern Wing his poster prize from the "Keep California Green" Poster Contest. Vern Wing won first place in the county section in the primary division. His awards were a Smokey Bear tee shirt, and a certificate proving he did well on his poster.

Susan Lucas brought Mrs. Wing a pair of hand carved Mexican earrings from Mexico.

Estelle Howell brought two square dance records.

During art, we made valentines for our fathers and mothers. Mrs. D. L. Reese and Miss Foresta McGouran were our visitors who watched us do these bits of art.

Raymond Hill has joined our class Thursday. Once again, we have thirty children in our room.

FOURTH, FIFTH AND SIXTH GRADES: Mr. Stice, and Mr. Stone visited our school with the purpose of presenting awards to the winners of the "Keep California Green" poster contest. Winner of a third place in the intermediate grades was Chester Robertson.

Miss Foresta McGouran, county consultant, visited school this week.

Four more children moved from the beginners class to skiing to the intermediate group. They are: Gary Wing, Larry Mandeville, Robert Howell, and Brad Thompson.

Susan Lucas this week returned from a months vacation with her parents in Mexico. She told of her trip and of her stay in Mexico City.

Dewey Tachovsky returned this week after a month's leave. He and his parents left for Yuba City but were forced back by floods.

TAHOE LAKE

KINDERGARTEN AND FIRST GRADES: We made valentines for mothers and fathers this week.

SECOND AND THIRD GRADES: The second grade and third grade made valentines and wrote stories about Abraham Lincoln. The fourth grade wrote a play and put it on for the fifth and sixth grades. The names of the children in the play are: Chipper Marvin, Linda Sprague, Sandra Snyder, Danell Pomin, Karen Henry, Karla Kiser, Sherry Abrahamian, and Susan Stout.

FOURTH, FIFTH AND SIXTH GRADES: We went into Mrs. Farr's room for art on Thursday and made valentines to give to our parents or to our teacher.

TRUCKEE ELEMENTARY

KINDERGARTEN: We are practicing counting to one hundred together every day.

This week we have made valentines to decorate our room.

FIRST GRADE: The first grade is now working on addition and subtraction combinations.

Bruce King, Gary Kehm and Lennie Vind are back at school again.

SECOND GRADE: Recently in reviewing arithmetic several children made up problems and chose others to write them on the board.

Diana Pankoke and Anne Morey chose Ricky Ralphs and Debbie Ellis for simple addition facts. Kenneth Hensley and Charles Hintz chose Ricky Ralphs and Alexandra Cushing for subtraction problems.

Dawn Maynard and Zed Kirkpatrick chose Edna Arterburn and Foston Wilson for column addition.

Claudia Ayala and Sherry Borden chose Diana Pankoke and Larry Digesti to solve problems using zero as a placeholder. Alexandra Cushing made up a problem for John Besio. This problem was to solve a double-digit addition. Randy Russell counted by 2's, Courtney Lewis by 5's, Doug Nelson by 19's. Jackie Finnegan did the o'clock problem and Kevin Larrievie the half hour one. Heidi Euer read numbers in the higher hundreds.

THIRD GRADE: In arithmetic, group one has been making story problems from their social studies, health lessons and imaginary grocery bills.

Gregory York, Mike Ingalls, Judy McGinn, Eddie King, Marcia Leamon and David Saroni had all work complete this week.

FOURTH GRADE: Group one in fourth grade arithmetic is learning to divide with a zero in the tens place in the quotient. Steve Besto and Jim Randall have mastered the process well enough to help the rest of the group.

Those who have made marked improvement in arithmetic are Evelyn Hintz, Jeannie Croxen and Bob Frates.

FIFTH GRADE: We have had an introduction to fractions. The helpers chosen to aid others in arithmetic were: Gene McGinn, Joey Straub, Joe Parkhurst, Dennis Whiteneck, Janice Roth and Lloyd Kunkler.

SIXTH GRADE: Stephanie Cozzi advanced into another group in arithmetic this last week, as all groups continued to progress in their numbers.

One group, consisting of David Ayala, Dorette Rose, Francie Mc-

V. F. W. AUXILIARY PLANNING PROJECTS

CRYSTAL BAY— The regular meeting of the Ladies Auxiliary, V. F. W. Post 7077, was held February 8th at Ta-Neva-Ho. Five members, Mrs. June Mandeville, Mrs. Lorraine Ogle, Mrs. Theresa Molsberry, Mrs. Ivey LaBorde, were accepted and several new members, unable to attend will be instituted in March. Mrs. Ethel Antonsen was the installing officer.

A committee comprising Mrs. LaBorde, Mrs. Mandeville and Mrs. Pearl Moore was named to plan a buffet to be served at midnight at the VFW-Auxiliary Washington's Birthday ball to be held Saturday, February 25th at the Tahoe Biltmore.

The next social meeting will be held February 22nd at 8 p.m. at the Biltmore to make final plans for the ball.

February 23rd has been set by the organization as Veterans' Hospital Book Collection Day. The books will be collected at Stop 'n Shop, Kings Beach and at Hale's Drug Store, Crystal Bay on that date. Anyone having books or magazines other than Look, Life,

Gwinn, Charles Glenn, Mike Armstrong, Kathleen York, Karen Smart and Gene Miller, began multiplication of fractions.

Last Friday evening the class played host to the fifth grade and Mrs. Ruth Robertson's fifth and sixth grade class from Tahoe Lake Elementary School at a St. Valentine's Dance held in the school auditorium. Approximately eighty people attended the gay affair.

The chairman, under the direction of class president, David Ayala, were Francie McGinn, refreshment committee; J. C. Robertson, decorations; Kathleen York, clean-up; and Catalina Marroquin, hospitality.

BROCKWAY ROTARY OPPOSES FISH PLAN

KINGS BEACH— With President Bill Randall presiding, the regular meeting of the Rotary Club of Brockway was held Monday night at the Crystal Bay Restaurant with 23 members present.

The resident appointed Fred Schultz as chairman of the committee for the District Conferences which will be held in Marysville on

Saturday Evening Post or Colliers, which are received at the hospital, may leave them at either of the collection centers or call Mrs. Bob Moore at Kings Beach who will arrange to pick them up.

Any duplicates will be distributed to other hospitals and all donations will be appreciated.

Scadden III
Phill Scadden of Nevada City, was recently taken to a hospital with a serious attack of pneumonia and was reported to be resting easily although no visitors other than the immediate family are allowed.

April 22, 23, and 24.
The secretary was instructed to write the California Fish and Game Commission, protesting the move to close the Truckee river from the Truckee bridge to the bridge at Boca to all fishing except to artificial lures.
Program Chairman Hank Dodd presented a film entitled, Woodland Manners in the National Forests. This most interesting film should be a lesson to all those viewing it, as to how they should treat our forests when using their facilities.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Lots of Fun

Saturday morning and I just came from Joby Lewis' Monte Carlo. What a gorgeous morning it is. And naturally the resorts are full. These are not enough, in fact to take care of everyone.

Archers

There is now an institution known as the North Tahoe Archers, Incorporated, with Troop 31, Boy Scouts of America, which meets at the Gun Club at Tahoe Vista every Thursday at 7 p.m. At this time all boys are invited. The officers and committees are composed of Max Krueger, chairman; Walter Mandeville and L. K. Frye. Scout master is M. H. Waddell, assisted by Lance Trent. Howard W. Mason is the explorers advisor. The rank and file are as follows: Steven D. Thompson, Chester B. Robertson, Larry L. Hughes, Richard L. Trent, Charles R. Bergman, Jerry M. Ciani, Randy S. Schultz, Dennis L. Ludlow, Stanley A. Baker, Walter F. Mandeville, Homer J. Hakens, Nolen Little, and Kermit A. Norris. Tahoe Area Council is planning a 1956 Scout-o-rama at the middle of March so be on the lookout for the exact date later. It will be held at Roseville.

Short Stay

Joe Rossi who has a nice home on the short cut has had his mother up for a couple of weeks, from Oakland, she has now returned, but will return in the summer and will make a long stay.

Womens Hat Party

Just another reminder of the North Tahoe Women's Club Hat Party. Get your hats ready now. There will be lots of fun and entertainment so reserve early. If you forget, you are welcome anyhow. It is booked for February 27th on the last Monday at the Tahoe Biltmore. Cocktail party at 7 p.m., dinner at 8.

Missed

If I have missed some of the articles you have given me I apologize most humbly.

Bows and Arrows

Don's Lake Tahoe Archery Co. is just about ready to do business. Don Germain has built a shop for making and selling archery equipment and has had lots of experience in the making of everything pertaining to the noble sport. The shop is on Fox and Steelhead in Kings Beach, call Don and get the low down in the making of bows, arrows and strings.

Visitors

Mr. and Mrs. Sidney Ewold, son, Michael and daughter, Joanne, were visitors of the Eddie Moores of Brockway over the weekend. The Ewolds are from Grass Valley. Bob and Mrs. Wray were also visitors of the Moores.

And Some More

Mexico Visit

The trip to Mexico of Tom and Mrs. Lucas and Susie, together with Dan and Mrs. Anderson, was one of delight from start to finish. They visited Mexico City, Vera Cruz and Fortin and the weather was grand all the way. In fact everything was so interesting that they all look forward to another trip in the very near future. On their way back they visited Cathedral City, where they saw several Kings Beachites, including Tom's father and mother, Clair Walters and wife, also Ike and Mrs. Miles who are living, of all places, in a trailer, and enjoying it too says Tom, Earl and Mrs. Nelson and Earl is slowly getting rid of his miseries, the Burches and many too numerous to mention. Their trip took about 33 days. Now Tom has taken over the Chevron station at Brockway hill and is going to stay put for a while.

Lincoln's Birthday

The members and friends of the Community Church here celebrated Lincoln's birthday at a delightful dinner served by the ladies of the church. Mrs. A. B. Covher played several beautiful numbers on the organ. There is still a vacant place on the choir for you, come Friday night at 8 p.m.

Sunday Dances

Virginia Robertson is chairman of the Teenagers Dances being held at the Carpenters Hall every Sunday night from 7:30 to 10 p.m. There will be one this Sunday, which will determine the possibility

LAKE LEVEL
Tahoe City—With all gates in to the Truckee river closed, the level of Lake Tahoe Monday stood at 6227.36 feet. There were 43 inches of snow on the ground at Tahoe City, Art Frodenberg, cooperative observer, reported. Temperatures during the week have varied from a low of 8 degrees last Thursday to 45 on Sunday.

ty of continuing. It will be up to the young people themselves. Refreshments are served and can be most enjoyable for the young folk.

Vacationing

Well, now it's the Tom Suttons that have left for Mexico. It seems the glowing reports from people that have returned from that country, is having quite an effect upon those that are seeking a real and interesting change. They intend to be gone about six weeks. You know they recently sold their Buckhorn Inn, and they are going to be missed both in the restaurant and bar.

In The Area

Ruth Lavery tells me that our old friends, the Art Leitchs were up from Placerville where Art was transferred with the Tel & Tel. I hear too that they are taking Dick Little back for a short stay. Dick, as you know, was pretty much under the weather, but I'm glad to know he is improving.

Nice Weather

Three weeks now of perfect weather, this Monday noon the temperature is 47 degrees and more of the same is predicted. Well, Adios Amigos.

The major part of the gold produced in California from 1884 to 1910 came from underground lode mines.

11th Annual Boat Show
Will Open On March 2

The 11th Annual San Francisco National Sports and Boat Show, opening its ten-day run at the Civic Auditorium on March 2nd, has already burst its seams and will spill into a mammoth tent annex,

which will be used for the first time for a public show.

Exposition manager Thomas Rooney has announced that the block-long tent annex, which measures 370 feet in length will be erected directly in front of the auditorium, covering the entire street and two sidewalks, to accommodate the overflow.

Girl Scout Leadership Course Being Offered For Women In Area

The opportunity has been offered to the Truckee-Kings Beach-Tahoe City area, which has not as yet affiliated with a council, for volunteers to enroll in the Girl Scout Troop Leadership course being offered by the Washoe County Girl Scout Council at the Girl Scout Lounge in Reno.

The entire course will be given on Tuesdays and Fridays from 9:15 to 11:15 a.m. beginning February 21st and ending March 16th.

A baby sitter will be provided for those who may have children to arrange for.

These are informal sessions designed to make the job of a leader more fun, easier, and more satisfying. Skills in working with girls, ideas for planning troop programs, organization of a troop, special ceremonies and events, financing, etc., are discussed.

Every troop must have at least one trained leader. It is open to any interested adult and there is no fee charged.

Please notify the Girl Scout office, Reno 28730, or Mrs. Frank Giovannoni, 16 or Mrs. Dave Rose, 319, if you plan to attend.

Jim Harris Takes First In Junior Tournament

Jim Harris of the Truckee Athletic Club placed first, with time 32 seconds in the junior jumping ski meet held at Hill Top Lodge on Saturday. James Morhain acted as judge with the assistance of timers Ed Crandall and Don Picard and gate keeper Ray Nixon.

Crandall Brothers donated belt buckles, the use of the hill and loudspeakers for the event.

Sam Medford in 46 seconds came in second while Bob Williams, skiing for the DeMolay was third in 52.2 seconds.

In the jumping, Jim Harris scored first with a leap of 46 feet, Ken Osburn was second with a leap of 45 feet and Sam Medford was third with 40 feet.

Lenten Schedule In Churches Starts

Father P. J. O'Neill, pastor of the Catholic Churches in this area, has announced the Lenten Devotional Schedule which started yesterday on Ash Wednesday and which will continue for 40 days to Easter on April 1st.

Father O'Neill described the Lenten period as follows: "To foster the spirit of penance and of reparation for sin, to encourage self-denial and mortification and to guide Her children in the footsteps of our Divine Savior, the Holy Mother Church imposes by law the observation of fast and abstinence during the Lenten period to afford the faithful opportunity for gaining graces of the Lenten season."

The schedule for the period follows:

TRUCKEE Assumption Church: Daily Mass 8:30 a.m.; Devotions Wednesday and Friday at 8 p.m. consisting of Rosary sermon of Lenten topic, the Way of the Cross and Benediction of the Most Blessed Sacrament.

A special discussion and instruction class will be held at the parish house every Friday night after the regular devotions and all are welcome. Sunday mass as usual at 9:30 a.m.

TAHOE CITY Corpus Christi Church: Daily mass during Lent on Wednesday and Friday mornings at 9 a.m. Devotions on Wednesday evenings at 8 p.m. followed by discussions and instructions at the church in Tahoe City.

KINGS BEACH Lady of the Lake Church: Devotion—Sermon: "Way of the Cross and Rosary." Special Holy Week ceremonies will be announced later.

Two Celebrate One Date—
Gary and Joanne, children of Mr. and Mrs. Sam Costa who share February 11 as their common birth date were feted at the home of their parents on Saturday, each receiving gifts and cakes for the dual occasion.

Birth Date Observed—
Cliff Ellis, whose birth date occurred on St. Valentine's Day celebrated the event with his family.

Officials Visit—
Probation Officer Floyd Ponds, Sheriff Wayne Brown and Deputy Sheriff Frank Gallino were officials visitors from Nevada City this week.

The Allegheny district in Sierra County is famous for the richness of its gold-quartz veins.

Great Books Discussion Group Will Meet Here Next Wednesday Eve

The Tahoe-Truckee Community will have a Great Books discussion group. The first meeting will be held at 8:00 P.M., Wednesday evening, February 22nd in the Community Center Library. The first assignment is The Declaration of Independence with Mrs. Rowena Cincotta and Frank Ratliff as leaders. Copies of the Declaration may be borrowed from the library. Future meetings will be held at the same hour on the second and fourth Wednesdays of each month.

At the organizational meeting, last Thursday evening, the nineteen persons who attended voted unanimously in favor of the discussions.

The meetings will be open to the public and anyone interested in joining the group may do so at any time. The first year readings are based on a list of classics supplied by the Great Books Foundation consisting of selections or books by Plato, Sophocles, Aristotle, Plutarch, Epictetus, Machiavelli, Shakespeare, Milton, Adam Smith, Tocqueville, Marx and Engels, Thoreau and Tolstoy. Other works on the list for the first year's discussions are The Gospel According to St. Matthew, The Federalist and The Constitution of the United States.

There are no special educational requirements for these discussions other than the willingness to read and the desire to enjoy and participate in a good discussion with a congenial group of neighbors and friends.

Jo Ann Allen Will Wed James Carr On Sunday

Miss Jo Anne Allen will become the bride of James Carr at a one o'clock ceremony to be performed by Rev. Wesley Osman on Sunday, February 19 in the Community Methodist Church.

Miss Diane McCrindle will attend the bride as maid of honor and James Allen will act as best man during the nuptial rite.

A reception will follow at the home of the bride-elect's parents, Mr. and Mrs. William Allen.

The young couple met while both attended local schools. After the wedding service the newly weds will leave for Oroville where they will live with his parents, Mr. and Mrs. Bert Carr until they settle on a ranch north of Truckee.

World Day Of Prayer Here At 1:30 Friday

Local people are being reminded by the Women's Society of Christian Service that the World Day of Prayer will be observed in the Methodist Church here at 1:30 o'clock tomorrow.

Rev. A. B. Covher will be the guest speaker and the local group will be joined by the ladies from the Kings Beach Church and all others wishing to take part in the occasion.

Also taking part will be messdames Eugene Bidsen, Lynn Kish-Baugh and Wesley Osman.

WALKER AND SLADE SAW THEIR CHANCE AND QUICKLY CARRIED OFF THE SACRED IDOL WHILE THE MIPIANS FOUGHT TO SAVE THEIR BURNING VILLAGE.

BY THE FIRST LIGHT OF DAWN, WALKER AND HIS PARTNER MANAGED TO SMUGGLE THE GODDESS ABOARD THEIR SHIP.

HOWEVER, AFTER THE VILLAGE FIRES HAD BEEN EXTINGUISHED A WANDERING MIPIAN DISCOVERED THEM AND SCREAMED OUT IN ALARM.

MEANWHILE, ON THE BEACH NEARBY, TARZAN ALSO HEARD THE SHOUTS. HURRIEDLY, HE PULLED LOT TO HIS FEET.

THE TWO MEN THEN SPED TO JOIN THE MIPIANS IN A DESPERATE ATTEMPT TO STOP THE ENEMY AT THE DOCK--

BUT THEY ALL ARRIVED TOO LATE! HELPLESSLY NOW, THEY GAZED AT WALKER'S MOCKING FACE FROM THE STERN OF THE DEPARTING BOAT!
